

# THE EPISCOPAL UNIVERSITY

## of SOUTH SUDAN

---

### VISION

A vibrant multi-campus Christian university offering holistic learning of the highest quality.

### MISSION

The Episcopal University exists to develop students holistically and inspire them to be servant leaders who transform communities in South Sudan and beyond.

### OBJECTIVES

We will achieve our mission by:

- Creating attractive campuses that are conducive to higher education and inspire staff, students and visitors alike.
- Offering excellent teaching and learning.
- Providing resources that fulfil the requirements of a range of disciplines and extra-curricular activities.
- Offering a unified curriculum that will be relevant to students in South Sudan and beyond.
- Modelling democratic and collaborative governance and management.

### VALUES

Unconditional love

Integrity

Accountability

God-fearing attitude
